These questions test for the ability to apply written rules in given situations similar to those typically experienced by police officers.

2 Memory for facts and information

These questions test for the ability to remember facts and information presented in written form. You will be given 5 minutes to read and study the information in the Memory Booklet. Each question will consist of four restatements of the information given in the notes. From each set of four, you must choose the version that presents the information most clearly and accurately.

The rating key for this examination will be established by the New York State Civil Service Commission prior to the date of the test, upon recommendation of a committee of police experts who will review all the questions for appropriateness and the key answers for correctness. There will be no review of the questions by candidates. This committee was selected with the assistance and endorsement of the Police Conference of New York, Inc., the New York State Association of PBA's, Inc., and the New York State Association of Chiefs of Police, Inc.

A Guide to the Written Test for the Police Entrance is available at the New York State website:
