

“Conservation in the Schools”

An Environmental Conservation Grant for Schools in St. Lawrence County

Application

The St. Lawrence County Soil and Water Conservation District has funding available for environmental conservation and resource protection projects aimed at K-12 schools and school groups. Project proposals should be related to conservation and/or conservation education. Please fill out the application below and return it to our office or email to jevonnah@slcswcd.org. Requests may be made up to \$500.
