The Nature Conservancy (TNC) - TECHNICAL ASSISTANCE OPPORTUNITY

New York Flood Adaptation Grant Writing Capacity Program

<https://tnc.app.box.com/s/kvfox1tk5sfziklfi8qxujatj1abbc5d>

The Nature Conservancy designed this program after recognizing that capacity issues related to grant writing and administration present significant barriers for small communities. Participants will receive support with grant preparation and writing. This support may include, but is not limited to project planning and prioritization, community engagement, budget preparation, cost-benefit analysis, writing and narrative development, and mapping. This program does not provide monetary funding to the selected communities. Rather, selected community will be

provided with grant writing capacity from the consulting team that is either identified by TNC or that the community identifies. Categories: Planning: including community engagement, visioning, comprehensive planning and prioritization, zoning and building code; Design: including conceptual design, engineering, cost-benefit analysis; and Implementation: including permitting, construction, restoration, acquisition and transaction costs, stewardship activities.

NYS Association for Reduction, Reuse and Recycling (NYSAR3)

Green School Grant Program

<https://nysar3.org/page/green-school-grant-program-16.html>

NYSAR3 established a grant program for public and private K-12 schools for implementation or expansion of waste reduction, reuse, and recycling, and composting programs. All public and private, K-12, schools in New York State are eligible to apply for funding. The maximum per award is \$1,000. The goal of this grant program is to provide funds to develop new programs or support existing programs related to the 3 R's (reduce, reuse, and recycle) and composting. There is a limited pool of available funds and not all projects may be awarded, and awarded projects may not receive the full funds requested.

FY 2022 Emergency and Transitional Pet Shelter and Housing Assistance Grant Program

<https://ovc.ojp.gov/funding/opportunities/o-ovc-2022-171309>

This program will provide funding for shelter and transitional housing and other assistance to victims of domestic violence, dating violence, sexual assault, or stalking and their companion animals. Applicants are invited to apply under two categories. OVC anticipates making up to 5 Category 1 (large awards) of up to \$400,000 each and 10 Category 2 (mini awards) of up to \$100,000 each. Awards will be for a 36-month period of performance, to begin on October 1, 2022. Mini awards are designed for shelters and other transitional housing services for victims of

domestic violence and their companion animals that may only be seeking funding for smaller purchases such as kennels, cages, crates, pet supplies, beds and other items that may be necessary to housing domestic violence victims and pets together. OVC will conduct a pre-application webinar on Thursday, May 26, 2022; participation in the webinar is optional.

**U.S. Department of Housing and Urban Development (HUD)
FY22 Choice Neighborhoods Planning Grants NOFO**

<https://www.hud.gov/cn>

Choice Neighborhoods Planning Grants support the development of comprehensive plans to revitalize severely distressed public housing and/or HUD-assisted housing and the surrounding neighborhood. Communities will develop a comprehensive neighborhood revitalization strategy, or Transformation Plan, to achieve the program's three core goals: Housing, People and Neighborhood. The Transformation Plan will become the guiding document to carryout subsequent implementation of the plan for the target housing units while simultaneously directing the transformation of the surrounding neighborhood and positive outcomes for families.

Safe Streets and Roads for All (SS4A) Discretionary Grant Program

<https://www.transportation.gov/SS4A>

The Bipartisan Infrastructure Law (BIL) established the new Safe Streets and Roads for All (SS4A) discretionary program with \$5 billion in appropriated funds over the next 5 years. In fiscal year 2022 (FY22), up to \$1 billion is available. The SS4A program funds regional, local, and Tribal initiatives through grants to prevent roadway deaths and serious injuries. Funds for the fiscal year (FY) 2022 SS4A grant program are to be awarded on a competitive basis to support planning, infrastructure, behavioral, and operational initiatives to prevent death and serious injury on roads and streets involving all roadway users, including pedestrians; bicyclists; public transportation, personal conveyance, and micromobility users; motorists; and commercial vehicle operators.
