### **July Rabies Clinics Postponed**

**Canton, NY**—Due to the 2019 novel coronavirus (COVID-19) social distancing recommendations, all St. Lawrence County free rabies clinics scheduled for July have been postponed. Clinics that were set to take place in May and June were also postponed.

The St. Lawrence County Public Health Department is working closely with each municipality to get the clinics rescheduled. Once new dates and times have been finalized, a notice will go out to the community and the schedule will be updated.

Clinics at the Human Services Building in Canton are set for Aug. 18 and Sept. 15 from 5-7 p.m. and Nov. 14 from 10 a.m.-noon. They will require pre-registration. Pre-register by visiting the Public Health website one week prior to the clinic date at [www.stlawco.org/departments/publichealth/rabiescontrol](http://www.stlawco.org/departments/publichealth/rabiescontrol). Given the nature of the epidemic situation, it is advised that people call Public Health at the 315-386-2325 to confirm the schedule.
